

'One Act Wonders'

An adults audio acting course

This low pressure 10 week course (in partnership with Sussex Talking Newspapers for the visually impaired) is aimed at those who are new to acting, a little rusty from their school days or just interested to learn how it all comes together. We will be learning how the voice works, how to build a character for audio and reading one act plays. At the end of the course, your pieces will be recorded for Sussex Talking Newspapers. You will also have your very own downloadable copy of your plays to play back to family and friends. No Lines to learn!
