

Recording for Radio

an adults audio acting course

Like the idea of acting, but worried about forgetting your lines? Or even being seen?
Well, come and join us this January, for 10 weeks of low pressure relaxed fun,
learning and recording excerpts from a play.

Led by Suzy Duxbury ATCL. This course is aimed at those who are perhaps new to acting, a little rusty from their school days, or for those who just might enjoy reading together. We will be learning how the voice works, how to build a character vocally and looking at a BBC radio play.

At the end of the course, we will record excerpts from the play, which will be uploaded to our website to share and play to all your family and friends.
